Federico de' Stefani, Chairman and CEO of SIT S.p.A., is attending the Ambrosetti Forum “Intelligence on the world, Europe and Italy”

Padua, September 4, 2020 – Federico de' Stefani, Chairman and CEO of SIT S.p.A., is attending the 2020 edition of the Villa d'Este Forum “Intelligence on the world, Europe and Italy” organized by The European House Ambrosetti. The conference, that is held from September 4-6 and the attendance of the most important Italian and International managers, will be phygital. Mr. de' Stefani will follow the sessions thanks to the live streaming reserved to delegates, taking part in the discussion and contributing to the surveys that will be carried out during the event.

WHO	WHERE	WHEN
Federico de' Stefani, Chairman and CEO	Forum Villa d'Este, Cernobbio (CO) and in live streaming	4-5-6 September 2020

The SIT Group, through its two divisions Heating and Smart Gas Metering, creates intelligent solutions for the control of environmental conditions and consumption measurement for a more sustainable world. A market-leading multinational company, listed on the MTA segment of Borsa Italiana, SIT aims to be the number one sustainable partner for energy and climate control solutions for its customers, focusing on experimentation and the use of alternative gases with low environmental profiles. The Group has production sites in Italy, Mexico, the Netherlands, Romania and China, in addition to a commercial structure covering all global markets.
