WHO	WHERE	WHEN
Paul Fogolin, CFO	Webinar Online	9 September 2020 at 16:30

The SIT Group, through its two divisions Heating and Smart Gas Metering, creates intelligent solutions for the control of environmental conditions and consumption measurement for a more sustainable world. A market leading multinational company, listed on the MTA segment of Borsa Italiana, SIT aims to be the number one sustainable partner for energy and climate control solutions for its customers, focusing on experimentation and the use of alternative gases with low environmental profiles. The Group has production sites in Italy, Mexico, the Netherlands, Romania and China, in addition to a commercial structure covering all global markets.
