PRESS RELEASE

SIT is attending the 5th Italian MidCap Conference organized by Mediobanca on January 18

Padua, 12 January 2023 - SIT S.p.A. (SIT:IM), a multinational listed on the Italian Stock Exchange that creates intelligent solutions for the control of environmental conditions and consumption measurement, on January 18 is attending the 5th edition of the Italian MidCap Conference organized by Mediobanca. The event will be held in presence in Milan.

CEO and Chairperson Federico de' Stefani together with Chief Product Officer Tomaso Valdinoci and Investor Relator Mara Di Giorgio will share with investors the latest company news.

Documents for investors are available for consultation on the Company's website www.sitcorporate.it/en in the "Investor Relations" section.

About SIT

SIT, through its two divisions Heating and Metering, creates intelligent solutions for the control of environmental conditions and consumption measurement for a more sustainable world. A market-leading multinational company and listed on the Euronext Milan segment, SIT aims to be the number one sustainable partner for energy and climate control solutions for its customers, focusing on experimentation and the use of alternative gases with low environmental profiles. The Group has production sites in Italy, Mexico, the Netherlands, Romania, China, Tunisia and Portugal, in addition to a commercial structure covering all global markets. SIT is a participant in the UN Global Compact and also a member of the European Heating Industry, the European Clean Hydrogen Alliance, in addition to the Community Valore Acqua per l'Italia ("Value Water for Italy Community"). www.sitcorporate.it/en/
