

SIT is attending the HPB Expo 2023 exhibition from March 11 to 13 in Kentucky, USA

Padua, February 22, 2023 - SIT S.p.A. (ticker SIT:IM), a multinational company listed on the Euronext Milan segment that creates intelligent solutions for the control of environmental conditions and consumption measurement, **is attending the HPB Expo, one of the largest convention dedicated to the industry and technologies that support indoor-outdoor activities in North America.** Thousands of retailers and companies annually attend the event to discover new trends and technologies related to the manufacture and sale of fireplaces, patio heaters, wood, pellet, gas and electric stoves, barbecue accessories, grills and patio furniture.

To introduce the **ProFlame System solution**, an online showcase is available to the public at the link proflame.sitgroup.it/eng, which features SIT's offer for fireplaces: gas valves, management electronics, diagnostic functions and the **Proflame Connect Plus APP** that allows the management of fireplaces via smart devices or voice assistance.

Summing up - SIT will be attending the HPB Expo in Louisville at the Kentucky Expo Center from March 11 to 13, 2023, at booth number 519. For more information, please visit the official [HPBExpo website](https://HPBExpo.com).

SIT, through its two divisions Heating and Metering, creates intelligent solutions for the control of environmental conditions and consumption measurement for a more sustainable world. A market-leading multinational company and listed on the Euronext Milan segment, SIT aims to be the number one sustainable partner for energy and climate control solutions for its customers, focusing on experimentation and the use of alternative gases with low environmental profiles. The Group has production sites in Italy, Mexico, the Netherlands, Romania, China, Tunisia and Portugal, in addition to a commercial structure covering all global markets. SIT has signed up to the United Nations' Global Compact. It is also a member of the European Heating Industry and of the European Clean Hydrogen Alliance, in addition to the Community Valore Acqua per l'Italia ("Value Water for Italy Community") - www.sitcorporate.it
